Coronavirus COVID-19 Public Health Advice

Coronavirus COVID-19

Everyone has the power to **Stop COVID-19.**

How to Prevent

- Stop** shaking hands or hugging when saying hello or greeting other people
- Distance** yourself at least 2 metres (6 feet) away from other people, especially those who might be unwell
- Wash** your hands well and often to avoid contamination
- Cover** your mouth and nose with a tissue or sleeve when coughing or sneezing and discard used tissue
- Avoid** touching eyes, nose, or mouth with unwashed hands
- Clean** and disinfect frequently touched objects and surfaces

PUB 101

Coronavirus COVID-19 Public Health Advice

Coronavirus COVID-19

Everyone stay at home. Everyone has the power to **Stop COVID-19.**

Stay at home in all circumstances, EXCEPT:

- > Travel to and from work where your work is an essential service. See gov.ie
- > To shop for essential food and household goods
- > To attend medical appointments and collect medicines
- > For vital family reasons including caring for children, older or vulnerable people or someone who is cocooning but excluding social family visits
- > To take exercise within 2km of your home. You may include children from your household but **MUST** adhere to 2m physical distancing from other people.

Cocooning has been introduced for those over 70 years and those who are extremely medically vulnerable to COVID-19. You can find out more about this on hse.ie.

Remember, you cannot arrange a gathering with anybody you do not live with.

If you have symptoms, self-isolate to protect others and phone your GP.

For information and advice visit hse.ie or phone HSELive **1850 24 1850**

How to Prevent

- Stop** shaking hands or hugging when saying hello or greeting other people
- Distance** yourself at least 2 metres (6 feet) away from other people, especially those who might be unwell
- Wash** your hands well and often to avoid contamination
- Cover** your mouth and nose with a tissue or sleeve when coughing or sneezing and discard used tissue
- Avoid** touching eyes, nose, or mouth with unwashed hands

Post 105

Coronavirus COVID-19

To slow the spread of coronavirus, vulnerable people are being asked to cocoon

For people most at risk, we are giving special advice called cocooning.

Who should cocoon?

- People aged 65 and over
- People with long term medical conditions that make them vulnerable
- People with long term medical conditions that make them vulnerable

What does cocooning mean?

Cocooning means staying at home and avoiding contact with other people.

How can you get help?

For more information, visit www.hse.ie or call 1850 24 1850.

Protection from coronavirus. It's in our hands.

Post 106

Coronavirus COVID-19

Everyone stay at home. Everyone has the power to stop COVID-19.

Stay at home in all circumstances, EXCEPT:

- To buy food and other necessities
- To attend medical appointments and other necessary services
- To care for family members including caring for children, older or vulnerable people or someone who is unwell but not requiring hospital care
- To take exercise within 20m of your home. You may include children from your household but MUST adhere to 2m physical distancing from other people.

How to prevent:

- Stop shaking hands** - Stop shaking hands and avoid touching others.
- Distance** - Stay at least 2 metres (6 feet) away from other people.
- Wash** - Wash your hands regularly with soap and water for at least 20 seconds.
- Cover** - Cover your mouth and nose with a tissue or your elbow when coughing or sneezing.
- Avoid** - Avoid touching your face, especially your eyes, nose and mouth.
- Clean** - Clean and disinfect frequently touched surfaces.

Cocooning has been introduced for those over 70 years and those who are extremely medically vulnerable to COVID-19. You can find out more about the advice.

Remember you cannot stop a gathering with alcohol and public houses or phone HSE Live 1850 24 1850

If you have symptoms, self-isolate to protect others and phone your GP.

For information and advice visit [hse.ie](https://www.hse.ie) or phone HSE Live 1850 24 1850
